“THE SORCERER’S RING has all the ingredients for an instant success: plots, counterplots, mystery, valiant knights, and blossoming relationships replete with broken hearts, deception and betrayal. It will keep you entertained for hours, and will satisfy all ages. Recommended for the permanent library of all fantasy readers.” --Books and Movie Reviews, Roberto Mattos A GRANT OF ARMS is book #8 in the Sorcerer's Ring, which begins with A QUEST OF HEROES--a FREE download on Google Play! In A GRANT OF ARMS (Book #8 in the Sorcerer's Ring), Thor is caught between titanic forces of good and evil, as Andronicus and Rafi use all of their dark sorcery to attempt to crush Thor’s identity and take control of his very soul. Under their spell, Thor will have to battle a greater fight than he has ever known, as he struggles to cast off his father and free himself from their chains. But it may already be too late. Gwendolyn, with Alistair, Steffen and Aberthol, ventures deep into the Netherworld, on her quest to find Argon and free him from his magical trap. She sees him as the only hope to save Thor and to save the Ring, but the Netherworld is vast and treacherous, and even finding Argon may be a lost cause. Reece leads the Legion members as they embark on a near-impossible quest to do what has never been done before: to descend into the depths of the Canyon and find and retrieve the lost Sword. As they descend, they enter another world, filled with monsters and exotic races—all of them bent on keeping the Sword for their own purposes. Romulus, armed with his magical cloak, proceeds with his sinister plan to cross into the Ring and destroy the Shield; Kendrick, Erec, Bronson and Godfrey fight to free themselves from their betrayal; Tirus and Luanda learn what it means to be traitors and to serve Andronicus; Mycoples struggles to break free; and in a final, shocking twist, Alistair’s secret is finally revealed. Will Thor return to himself? Will Gwendolyn find Argon? Will Reece find the Sword? Will Romulus succeed in his plan? Will Kendrick, Erec, Bronson and Godfrey succeed in the face of overwhelming odds? And will Mycoples return? Or will the Ring fall into complete and final destruction? With its sophisticated world-building and characterization, A GRANT OF ARMS is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. Books #9--#17 in the series are also available! “Grabbed my attention from the beginning and did not let go....This story is an amazing

Very large grant of arms in the name of Emperor Rudolf II to Hieronymus Radler, doctor and previously "fürstlicher secretarius" in German, dated July 1587. A vast single sheet document, opening with a line of calligraphic fraktur letters encased within geometric-interlace and foliate penwork heightened in places with liquid gold, these extensions flowing throughout the entire margins to form a penwork border. 38 further lines in 2 sizes of professional script, sentences opening with capitals with long flowing penstrokes and important letters touched in liquid gold, some long gold stroked cadels to lowermost line. The coat-of-arms appears at the center of document (unicorn rampant on gules) on gilt-edged shield with helm surmounted by another unicorn, within gilt frame with cherubs at corners. [From dealer description].

Challenging traditional views of arms dealers as agents of their own countries, Grant asserts that these firms pursued their own economic interests while convincing their home governments that weapon sales meant national prestige and influence. Grant tells how the resulting arms trade eventually led to an all-out arms race, and ultimately to war.

After he escapes from the dungeon, Thor is horrified to learn of another assassination attempt on King MacGil. When MacGil dies, the kingdom is set into turmoil. As everyone vies for the throne, King's Court is more rife than ever with its family dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, **A MARCH OF KINGS** is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and
