Through the inflammatory words of preacher Arnaldo da Brescia, an idealistic, fierce opponent of ecclesiastical property and church interference in temporal affairs, the revolt that led to the creation of the Commune of Rome continued until it was put down in 1155, though it left its mark on the civil government of the Eternal City for centuries. 12th-century Rome, however, had little in common with the empire which had ruled over the Mediterranean some 700 years before, and soon the new ...

History of Rome - Wikipedia

Legend says Rome was founded by Romulus in 713 B.C.E. but the origins probably predate this, from a time when the settlement was one of many on the Latium Plain. Rome developed where a salt trade route crossed the river Tiber en route to the coast, near the seven hills the city is said to be built on.

Livy, Latin in full Titus Livius, (born 59/64 bc, Patavium, Venetia [now Padua, Italy]—died at 17, Patavium), with Sallust and Tacitus, one of the three great Roman historians. His history of Rome became a classic in his own lifetime and exercised a profound influence on the style and philosophy of historical writing down to the 18th century.

Livy | Roman historian | Britannica

According to legend, Ancient Rome was founded by the two brothers, and demigods, Romulus and Remus, on 21 April 753 BCE. The legend claims that in an argument over who would rule the city (or, in another version, where the city would be located) Romulus killed Remus and named the city after himself. This story of the founding of Rome is the best known but it is not the only one.
