The Modern World  
The Empire is an appealing and wide-ranging new history of tea in the modern world, with a particular emphasis on imperial networks and the role played by marketing and advertising. Sitting at the intersection of imperial history, consumer culture, and the processes of globalization, this book speaks to readers interested in world history as well as those who love their tea."

~~Shaped the Modern World on  
JSTOR~~

A Thirst for Empire traces the origins, significance, and foreseen and unexpected consequences of, as well as opposition to, this effort to create a world market for the British Empire's tea. We must begin this history long before the twentieth century, for the ideas behind such propaganda were nearly as old as tea itself.
