The Nets and Rockets are seemingly playing a game of chicken, with the stakes being three-time scoring champ James Harden. It ' s clear that Harden is not only intent on leaving Houston, but the ...

ULYSSES James Joyce's novel Ulysses is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, Ulysses is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. ULYSSES Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic

appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy 's boys ' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what ' s happening outside but also what ' s happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer ' s *Odyssey*, James Joyce ' s *Ulysses* is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. ULYSSES

The Paul McCartney Encyclopedia is the most comprehensive book about Paul McCartney ever written. By best-selling author and Beatles expert Bill Harry, this A-Z of over half a million words will tell you everything you ever wanted to know about one of the greatest songwriters of the twentieth century. What is the truth behind his relationship with Yoko Ono? What was George Harrison's attitude toward him? Why did he decide to dissolve the Beatles? Did he and John Lennon come to a reconciliation? What was his opinion about taking LSD? What was Paul's life like behind bars in Japan? Why has his former council house become a shrine? With almost 2000 entries covering his family history from birth, his many love affairs, his opinions about drugs, his songs, records, concerts and honours bestowed upon him over the years, together with a full discography and bibliography, this book is packed with new material and unique insights into the life of Paul McCartney. - Over 2000 separate entries and 500,000 words make this the definitive book on Paul McCartney. - Bill Harry is the leading authority on the Beatles and founder of the music paper *Mersey Beat*, that helped launch the Beatles.
