Classical criminology usually refers to the work of 18th-century philosophers of legal reform, such as Beccaria and Bentham, but its influence extends into contemporary works on crime and economics and on deterrence, as well as into the rational choice perspective. The entire range of social phenomena can be understood more or less accurately using models of economic transactions and the assumption that people make rational choices between opportunities to maximize their own utility.

Classical Criminology - Criminal Justice - IResearchNet

Classical criminology came into existence during the middle of the eighteenth century as a result of an aversion towards the barbaric system of justice and punishment of those days. Utopian and social contract writers Jeremy Bentham and Cesare Beccaria were the main proponents of this school of criminology.

What is Classical Criminology | Actforlibraries.org

Classical criminology is an approach to the legal system that arose during the Enlightenment in the 1700s (18th century). Philosophers like Cesare Beccaria, John Locke, and Jeremy Bentham expanded upon social contract theory to explain why people commit crime and how societies could effectively combat crime.

What Is Classical Criminology? (with pictures)

In criminology, the Classical School usually refers to the 18th-century work during the Enlightenment by the utilitarian and social-contract philosophers Jeremy Bentham and Cesare Beccaria. Their interests lay in the system of criminal justice and penology and indirectly, through the proposition that "man is a calculating animal", in the causes of criminal behavior. The Classical School of thought was
