The Facts of Rape by Barbara Toner - AbeBooks

Rape, act of sexual intercourse with an individual without his or her consent, through force or the threat of force. In many jurisdictions, the crime of rape has been subsumed under that of sexual assault, which also encompasses acts that fall short of intercourse. Rape was long considered to be caused by unbridled sexual desire, but it is now understood as a pathological assertion of power over a victim.

Rape | crime | Britannica

Rape is more about the abuse of power than about sexual attraction or the desire for sexual gratification. Rape is when someone uses their power, manipulation or force to intimidate, humiliate, exploit, degrade or control another. Rape has been used as a weapon in war, in racial violence and in everyday life.
