How Cultural Marxism Is Grinding Christianity Down ...

Family law is an essential dimension of women's citizenship in the modern state. The rights established in family law shape women's agency and autonomy; they also regulate access to basic resources—such as land, income, and education—that determine a citizen's ability to earn a living independently, among other life chances (Agarwal 1994; Deere and León 2001; Kabeer 1994; Okin 1989; World ...

family, for example, law enforces antecedent cultural norms when it establishes parental obligations that reflect traditional family roles.² Law modifies these 16.

Law and Cultural Conflict

Religion has played an important role in human society for many years. As a result, families have helped promote and preserve religious beliefs and traditions. For many years, studies have examined the way religion has affected human relationships, particularly families. Here are some of the positive effects that religion has on family ...
