Four Personalities from the Forest of Dean: Sir John ...  
An obvious candidate is King William I, otherwise known as William the Conqueror, who established the Nova Foresta in 1079 as a royal hunting ground. Two of his sons, Richard, Duke of Bernay (died abt. 1081), and William II (died 1100), known as Rufus the Red, were both killed in hunting accidents on the New Forest.

Famous New Forest inhabitants | New Forest Commoner  
Forests provide a wide range of economic and social benefits for instance through employment, value generated from the processing and trade of forest products, and investments in the forest sector. Benefits also include the hosting and protection of sites and landscapes of high cultural, spiritual, or recreational value. Economic benefits can usually be valued in monetary terms but the social ...

8. What are the economic and social benefits of forests?  
The forest represents how you felt about the world, as you were growing up. If you see squirrels playing then you felt that the world was a safe place. The trees and the light in the forest represent the interaction that you had with adults as you were growing up, and the impact that this interaction had on you.

Personality Quiz Site - The forest quiz  
People began life on this planet as forest dwellers. They were food gatherers and depended on the forest for all their needs: food, clothing, and shelter. They gradually became food growers, clearing a small patch in the forest to grow food. But they continued to depend on forests to meet a lot of their needs.

Uses of forests  
1. Gossip from the Forest. by Sara Maitland. This is a really unusual book. Maitland journeys through Britain ' s forests in different seasons and draws in everything about their forest settings: the wildlife, nature, myths, stories and history.
