John C. Lennox. If we are to believe many modern commentators, science has squeezed God into a corner, killed and then buried him with its all-embracing explanations. Atheism, we are told, is the only intellectually tenable position, and any attempt to reintroduce God is likely to impede the progress of science.

Dawkins insists on seeing God as an explanatory alternative to science; but no theologian does. Some atheists claim God gets in the way of science. Worshipping bits of nature certainly does, as does a mythological worldview. Monotheism doesn't. Xeno phanes (C6BC): "there is one God.. similar to mortals neither in shape nor in thought..
