This study focuses on the work of four Victorian anti-feminist women writers - Eliza Lynn Linton, Charlotte M. Yonge, Mrs Humphry Ward, and Margaret Oliphant - examining their self-contradictory responses to the debate about women's role in family life and society. Individual chapters review women's anti-feminism from 1792-1850, and fresh readings of their best-known novels emphasize the inconsistencies of their masculine and feminine ideals.

Book One in a new hard-hitting contemporary fantasy saga. Marius Winter doesn't walk the road of the shaman-warrior alone. He has powerful allies in the Other Realms and in ordinary reality. His spirit guides are a Lakota war-chief and medicine man, First In Front; Tigre, a powerful feminine spirit who appears as a white tiger; and Burt, a spirit raven who channels an old Jewish bookie from the Bronx. Now Marius is targeted by a powerful sorcerer. In the battle for the souls of his friends and lover, he must storm the gates of the underworld and fight through the Seven Demi-Demons of Hell to the deepest dungeons to confront Belial himself. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Marcus Wynne and The Sword of Michael: "Marcus Wynne has created a rare find--an action packed book with characters filled with heart and soul. This is a true "keeper." You have to keep reading--and then keep to read again and savor one more because the story is so rich."%Heather Graham, #1 New York Times best-selling fantasy author "I'm glad to welcome Marcus Wynne back to the author fold. His own personal journey through Hell and hardship has been transformed into a gripping, action-filled urban fantasy about a man's Journey to Hell to ave all those he loves best in the world. A great debut in a new genre by one of the best action writers in any genre."%David Morrell, New York Times best-selling author of Murder as a Fine Art "Marcus Wynne's newest page-turner --- his best to date --- rips the veil off of our everyday perceptions to reveal the eternal battle between good and evil that takes place around us and, yes, within us. Labeled as fiction, THE SWORD OF MICHAEL is very real, a story where even Humanists and Theists can find common and exciting ground and which features a New Age shaman exorcist who hopefully has a real world model. If he doesn't, we are all in deep trouble. %Joseph Hartlaub, Senior reviewer, BOOKREPORTER.COM "Marcus Wynne delivers again . . . Shamanic practitioner Marius Winter risks all traveling to the depths of Hell to save everything and everyone important to him. "%WWE Legend Lance Storm "In Sword of Michael, my good friend Marcus Wynne has created a world where the fight between good and evil is as close as the next visitor or the next town over. The action, both physical and spiritual, jumps off the pages and exposes you to a side of conflict and human nature that is rarely considered by the conscious mind. Sword of Michael provides a modern urban backdrop for a story that is as powerful as it is personal."%Senior Training NCO, John F. Kennedy Special Warfare Center, SERE Cadre, Fort Bragg About Marcus Wynne's No Other Option: _At the heart of this thoughtful thriller is a compelling question: why does a man go bad? Intelligent in content and competent in execution, this is a most suspenseful and entertaining tale.Ö%Publishers Weekly

A GOOD MORNING AMERICA BOOK CLUB PICK **Chandler Baker**, queen of the feminist thriller, has delivered once again! The *Husbands* is a poignant exploration of what it would take for women to have it all." **Sally Hepworth**, bestselling author of *The Good Sister* To what lengths will a woman go for a little more help from her husband? Nora Spangler is a successful attorney but when it comes to domestic life, she packs the lunches, schedules the doctor appointments, knows where the extra paper towel rolls are, and designs and orders the holiday cards. Her husband works hard, too... but why does it seem like she is always working so much harder? When the Spanglers go house hunting in Dynasty Ranch, an exclusive suburban neighborhood, Nora meets a group of high-powered women:a tech CEO, a neurosurgeon, an award-winning therapist, a bestselling author!with enviably supportive husbands. When she agrees to help with a resident's wrongful death case, she is pulled into the lives of the women there. She finds the air is different in Dynasty Ranch. The women aren't hanging on by a thread. But as the case unravels, Nora uncovers a plot that may explain the secret to having-it-all. One that's worth killing for. Calling to mind a *Stepford Wives* gender-swap, New York Times bestselling author of *Whisper Network* Chandler Baker's *The Husbands* imagines a world where the burden of the [second shift] is equally shared!and what it may take to get there. **Utterly** engrossing and thoroughly timely, *The Husbands* is both a gripping, well-crafted mystery and an insightful critique of motherhood and marriage in the modern age--working mothers everywhere will feel seen in the best possible way. **Kimberly McCreight**, New York Times bestselling author of *A Good Marriage*

Packed with cases, exercises, simulations, and practice tests, the market-leading **BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES**, 11th Edition, thoroughly covers the complex environment in which managers confront ethical decision-making. Using a proven managerial framework, this accessible, applied text addresses the overall concepts, processes, and best practices associated with successful business ethics programs --helping you see how ethics can be integrated into key strategic business decisions. Thoroughly revised, this edition incorporates coverage of new legislation affecting business ethics, the most up-to-date examples, and the best practices of high-profile organizations. It also includes 20 new or updated original case studies. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In his midtwenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The *Bulletproof Diet*, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The *Bulletproof Diet* will challenge--and change--the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The *Bulletproof Diet* is your blueprint to a better life.

In the tradition of *Silent Spring* and *The Sixth Extinction*, an urgent, meticulously researched, and groundbreaking book about the ways in which chemicals in the modern environment are changing!and endangering!human sexuality and fertility on the grandest scale, from renowned epidemiologist Shanna Swan. In 2017, author Shanna Swan and her team of researchers completed a major study. They found that over the past four decades, sperm levels among men in Western countries have dropped by more than 50 percent. They came to this conclusion after examining 185 studies involving close to 45,000 healthy men. The result sent shockwaves around the globe!but the story didn't end there. It turns out our sexual development is changing in broader ways, for both men and women and even other species, and that the modern world is on pace to become an infertile one. How and why could this happen? What is hijacking our fertility and our health? *Count Down* unpacks these questions, revealing what Swan and other researchers have learned about how both lifestyle and chemical exposures are affecting our fertility, sexual development!potentially including the increase in gender fluidity!and general health as a species. Engagingly explaining the science and repercussions of these worldwide threats and providing simple and practical guidelines for effectively avoiding chemical goods (from water bottles to shaving cream) both as individuals and societies, *Count Down* is at once an urgent wake-up call, an illuminating read, and a vital tool for the protection of our future.

A guide to buying, brewing, & enjoying.

Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Startups, like sailing vessels, do not travel in straight lines. The wind and the waves of the real world move the ship, and your startup, in unpredictable ways. This book is designed to give you an analytical set of tools to help you navigate your startup or corporate innovation through the murky waters of real life. Every business has failures. No business succeeds without some change of plan. *Navigating Your Way to Startup Success* will show you how to create a startup designed to test its assumptions so those that are not worthy fail!often and fast. This book builds on modern startup

management techniques like Agile and Lean to bring an analytical and quantitative framework to the most common startup failures. Navigating through those failures means finding your way to startup success. Harlan T Beverly, PhD holds a BS in Electrical and Computer Engineering, an MBA from UT Austin, and a PhD in Business from Oklahoma State University. Harlan teaches entrepreneurship at the University of Texas at Austin. He is also Assistant Director of the Jon Brumley Texas Venture Labs at UT Austin, the world's first university business accelerator. Harlan has successfully launched five hardware and 15 software products including the Killer NIC, 2007 Network Product of the Year (CPU Magazine). He has raised over \$30 million in venture financing in the challenging intersection of entertainment and technology.

A complete, authoritative but non-technical guide to all aspects of coffee (growing, processing, roasting and brewing) for enthusiast consumers
