Learning Web Design, 4th Edition [Book] - O'Reilly Media
Through my experience teaching web design courses and workshops, I've had the opportunity to meet people of all backgrounds who are interested in learning how to build web pages. Allow me to introduce you to just a few: "I've been a print designer for 17 years, and now I am feeling pressure to provide web design services."

Learning Web Design, Fourth Edition - Bettyopolis
The fourth edition of this book has now been updated to include much more on CSS. Yes, it presents tables as a layout option but stresses that these are now giving way to CSS. It also uses XHTML standards for all the coding exercises. The theory on web design is also excellent, as are the exercises and review questions through the book.
