Raymond Francis is an internationally recognized leader in the field of optimal-health maintenance. He is the author of the bestselling books Never Be Sick Again and Never Be Fat Again as well as Never Fear Cancer Again, a breakthrough book on how to prevent and reverse cancer. Francis is the creator of a revolutionary and simplified understanding of disease, the Beyond Health Model, which employs the concept of One Disease with Two Causes and Six Pathways.

Never be Sick Again: Health Is a Choice, Learn How to ...

His findings and eventual recovery led him to conclude that almost all disease can be both prevented and reversed. In Never Be Sick Again, Francis presents a seminal work based on these findings — a revolutionary theory of health and disease: there is only one disease (malfunctioning cells), only two causes of disease (deficiency and toxicity), and six pathways to health and disease (nutrition, toxins, psychological, physical, genetic, and medical).
