Octaphilosophy has been developed as a tool to explain a dish. At Restaurant André there are no starters or main courses but all dishes are there for a reason and all are equally important. Each dish is built up around an Octaphilosophy concept and finds its ultimate expression in the dining room setting.

Octaphilosophy

The word is "Octaphilosophy". It is the title of a book by Chiang published by Phaidon, which he's in Hong Kong to promote. It is also the name of the culinary concept Chiang puts to work in the kitchen at his eponymous Restaurant André, in Singapore. Octaphilosophy is also the key to appreciating his eight-course degustation menu.
