Apple's iPad user guide is based on the software you're using, not the iPad you have. This software is called iOS or iPadOS and Apple releases a major update for it each year. Normally people use the latest software version, but older iPads are sometimes limited by their hardware. You can check what software is on your iPad in the Settings.

Where is my iPad manual? How to find your iPad's user guide

The iPad online User Guide is similar to the Help system on a Windows or Mac computer. The online help guide is accessed through the Safari browser, as a bookmarked site. Use the online User Guide to learn how to use your iPad, or to answer a quick question. For example, if you're curious about how to use Photos, the iPad User Guide is a great place to start.
