ISO 9001:2015 Quality Manual

The example quality manual (QM) is designed for a service-providing organization that wishes to demonstrate conformance to the requirements of ANSI/ISO/ASQ Q9001-2008 American National Standard: Quality management systems – Requirements. 1 The example manual also demonstrates that a single manual can be used to show conformance or compliance to a number of additional requirements, such as government regulations. There is no need to have a separate QM for each, but it is advisable to have a ...
