Students at the fifth grade level should have a good handle on how to see patterns in words and breakdown sounds. The goal at this level is focus on context skills and help young readers decipher the meaning of words that are unfamiliar to them by relying on the words and sentences that surround them. This is usually a rough ride at first but becomes doable with a little experience.

A sixth collection in this bestselling series, this You Read to Me features well-known figures like Paul Bunyan and Johnny Appleseed-- now in paperback! Using traditional reading teaching techniques (alliteration, rhyme, and repetition), this book is perfect for inviting young children to read along with peers or an adult for the first time. With clear, color-coded typography, and sly, lively illustrations, this collection is sure to entertain while encouraging reading skills and interaction with others. Readers will relish these new twists on familiar folklore characters, including Johnny Appleseed, Annie Oakley, Paul Bunyan, John Henry, and many more!

Describes the variety, beauty, and interrelatedness of plant and animal life found in rain forests in Costa Rica, Brazil, Nigeria, and Borneo.

A concept book about color combines vibrant National Geographic animal photography with lyrical "Did You Know?" text, juxtaposed against color-themed backgrounds.

Pia has always known her destiny. She is meant to start a new race, a line of descendants who will bring an end to death. She has been bred for no other purpose, genetically engineered to be immortal and raised by a team of scientists in a secret compound hidden deep in the Amazon rainforest. Now those scientists have begun to challenge her, with the goal of training her to carry on their dangerous work. For as long as she can remember, Pia's greatest desire has been to fulfill their expectations. But then one night she finds a hole in the impenetrable fence that surrounds her sterile home. Free in the jungle for the first time in her life, Pia meets Eio, a boy from a nearby village. Unable to resist, she continues sneaking out to see him. As they fall in love, they begin to piece together the truth about Pia's origin—a truth with nothing less than deadly consequences that will change their lives forever. Origin is a beautifully told, electric new way to look at an age-old desire: to live forever. But is eternal life worth living if you can't spend it with the one you love?
