The Tempest (Wordsworth Classics): Amazon.co.uk ...

The Wordsworth Classics' Shakespeare's Series presents a newly-edited sequence of William Shakespeare's works. The textual editing takes account of recent scholarship while giving the material a careful reappraisal. The Tempest is the most lyrical, profound and fascinating of Shakespeare's late comedies. Prospero, long exiled from Italy with his daughter Miranda, seeks to use his magical powers to defeat his former enemies.

Wordsworth classics: The tempest by William Shakespeare ...

The Wordsworth Classics' Shakespeare's Series presents a newly-edited sequence of William Shakespeare's works. The textual editing takes account of recent scholarship while giving the material a careful reappraisal. The Tempest is the most lyrical, profound and fascinating of Shakespeare's late comedies. Prospero, long exiled from Italy with his daughter Miranda, seeks to use his magical powers to defeat his former enemies.

"Shakespeare's valedictory play is also one of his most poetical and magical. The story involves the spirit Ariel, the savage Caliban, and Prospero, the banished Duke of Milan, now a wizard living on a remote island who uses his magic to shipwreck a party of ex-compatriots. This extensively annotated version of The Tempest makes the play completely accessible to readers in the twenty-first century." "Linguist and translator Burton Raffel offers generous help with vocabulary, pronunciation, and prosody and provides alternative readings of phrases and lines. His on-page annotations give readers all the tools they need to comprehend the play and begin to explore its many possible interpretations. Raffel provides an introductory essay, and in a concluding essay, Harold Bloom examines the characters Prospero and Caliban." --BOOK JACKET.

"When four love-struck young Athenians get lost in the forest, a magical night awaits. Packed with mix-ups, enchanted potions, and mischievous hobgoblins, this humorous tale will hold you spellbound"--Page 4 of cover.

The Tempest is a comedy written by William Shakespeare. It is generally dated to 1610-11 and accepted as the last play written solely by him, although some scholars have argued for an earlier dating. While listed as a comedy in its initial publication in the First Folio of 1623, many modern editors have relabelled the play a romance.

The works of William Shakespeare come alive in these stunning graphic novels adaptation using the original Shakespearean dialog. The world-class art, romance, sword-play, and tragedy of Romeo and Juliet will capture the attention of reluctant readers. Supplement your traditional Shakespearean sources with the graphic novel adaptation that will help readers imagine the action like never before. Graphic Planet is an imprint of Magic Wagon, a division of ABDO Publishing Group. Grades 5-10.

"All the world's a stage", William Shakespeare wrote, "And all the men and women merely players." Sit back as the curtain goes up on the dramas, sonnets, and life of one of the greatest writers in the English language. Shakespeare wrote or contributed to more than 40 plays, ranging from romantic comedies to the profound tragedy King Lear, as well as 154 sonnets. The Shakespeare Book has visual plot summaries of each one, with diagrams to show the intricate web of relationships in plays such as A Midsummer's Night Dream. Commentaries explain Shakespeare's sources and set each drama in context, revealing, for instance, how the warring Protestants and Catholics of his day are mirrored in Romeo and Juliet's Montagues and Capulets. Written in plain English and packed with graphics and illustrations, The Shakespeare Book illumines the Bard's world - his marriage, businesses, and friends - and explains how his works became an enduring phenomenon. Whether you need a guide through complex plots and unfamiliar language, or you're looking for a fresh perspective on his well-loved plays and sonnets, this indispensable guide will help you fully appreciate Shakespeare, the man, and the writer. Reviews: "Generous helpings of illustrations, time lines, plot diagrams, and character guides ensure that even readers in their 'salad days' will enjoy every dish at the Shakespearean feast." - Booklist "Enlightening" - YA Book Central "In this latest addition to the series, the Bard comes alive for young aficionados." - School Library Journal "Countless volumes have been written about William Shakespeare and his work, but here is a single volume that has organized his plays (and some of his sonnets) in exactly what the subtitle says: 'Big Ideas Simply Explained...a must-have.'" - VOYA magazine
