The Tipping Point is the ninth book in the Surviving the Fall series. This could be read as a standalone but should not be. It will make more sense if you have read the earlier books plus it has a cliffhanger ending. There is violence, it is an apocalyptic thriller, so it might not be suitable for more sensitive readers.

Difference, Malcolm Gladwell Gladwell defines a tipping point as "the moment of critical mass, the threshold, the boiling point". The book seeks to explain and describe the "mysterious" sociological changes that mark everyday life.

~~The Tipping Point: How Little Things Can Make a Big ...~~

The good news is that the Bible provides a road map that empowers us to live in peace instead of fear. In his four-week series, Tipping Point, Pastor Jimmy Evans takes a close look at biblical prophecies connected to the end times to help us understand what's ahead and build our faith and hope in Jesus.

In this eye-opening book, Jimmy Evans examines biblical prophecies about the end times and points to their unmistakable parallels with today's world. With a clear, insightful analysis of Scripture, he answers many common questions. Ultimately, Tipping Point will help you understand current events with confidence. There is no going back, but hope and peace are possible as God's plan unfolds, and we approach the end of the age.

The Tipping Point by Malcolm Gladwell Plot Summary | LitCharts

The Tipping Point by Malcolm Gladwell is a book about how small actions at the right time, in the right place, and with the right people can create a "tipping point" for anything from a product to an idea to a trend. Gladwell is not a sociologist, but he relies on sociological studies, and those from other disciplines within the social sciences to write articles and books that both the general ...

to promote their ideas better. Here are the 3 lessons from the book that will help you spread your own ideas:

~~The Tipping Point Summary Four Minute Books~~

The Tipping Point was Gladwell's first successful book, which he adapted from an article he wrote about the drop in crime in New York City and the social movements that made it happen. Gladwell knew something that all social media marketers would need to know just a few years later. He saw what made people attracted to ideas and products.
