Book Description. The Korean women's movement, which is seen in both Western and non-Western countries as being exemplary in terms of women's activism, experienced a dramatic change in its direction and strategy in the early 1990s. At the heart of the new approach was an increasing focus on sexual violence, which has had a huge impact on bringing women's issues onto the public agenda in Korea.

Practicing Feminism in South Korea: The women's movement ...

Carefully researched, clearly written, tough and smart, The Women's Movement Against Sexual Harassment is an important contribution not only to the understanding of how limits on sexual harassment were enacted, interpreted, litigated, and addressed, but also to our understanding of the potential of women working together to create a new status quo where only a short time ago, none seemed imaginable.

the womens movement against sexual harassment

History Origins. Beginning in the late 1960s, violence against women became a salient topic of interest within the second-wave feminist movement. Through the anti-rape movement, an offshoot of the women's movement, the public was made aware of sexual violence as an important social problem deserving of attention. Sexual violence refers to both rape and sexual assault.

Anti-rape movement - Wikipedia

The intensification of the #MeToo Movement in 2017 has spurred the emergence of many additional transnational movements against sexual violence including the #MeToo Movement. Indeed, 2017 is now considered a watershed year, when millions of women across the world said #TimesUp to sexual violence of all kinds and when the violence was not only steeped in patriarchal power, but also protected by it.
