Without Mercy (Sean Dillon Series, Book 13): Higgins, Jack ...

Sean Dillon is a hired killer. The IRA, the PLO, ETA - he's worked for them all. Now, with the Gulf War raging, the Iraqis need his services for an apocalyptic strike at the heart of the West. If it succeeds, it will shake the world to its foundations. Leaders will be wiped out, terror will spread: a devastating blow against democracy.

enigmatic shadow from the past, burning with hatred, steals into her room and finishes the job. Consumed by grief and rage, Dillon, Blake Johnson, and all who loved Hannah swear vengeance, no matter where it takes them. But they have no idea of the searing journey upon which they are about to embark—or of the bloody war into which they are about to charge. Filled with dark suspense, driven by characters of complexity and passion, *Without Mercy* once again proves that Jack Higgins is the unchallenged master of international intrigue.

As Detective Superintendent Hannah Bernstein of Special Branch lies recuperating in the hospital, an enigmatic shadow from the past, burning with hatred, steals into her room and finishes the job. Consumed by grief and rage, Dillon, Blake Johnson, and all who loved Hannah swear vengeance, no matter where it takes them. But they have no idea of the searing journey upon which they are about to embark—or of the bloody war into which they are about to charge. Filled with dark suspense, driven by characters of complexity and passion, *Without Mercy* once again proves that Jack Higgins is the unchallenged master of international intrigue.

Jack Higgins “ doesn ’ t stint on action ” (Publishers Weekly) in this New York Times bestseller featuring black ops specialist Sean Dillon. On a Long Island pier, a trusted operative for the President is wounded by gunfire. In London, an adviser to the Prime Minister approaches his car when it explodes. In New York, British soldier-turned covert operative Sean Dillon is approached by a man with a pistol in his hand... Someone is targeting members of an elite intelligence unit known as “ the Prime Minister's private army ” and all those who work with them. The culprit has a full complement of resources at his command—and Dillon has an idea of who it may be: an old nemesis out to destroy the unit out once and for all. But proving it

will be difficult. And surviving it might be impossible.

“ Death is the midnight runner. ” – Arab proverb Higgins ’ last novel, *Edge of Danger*, was “ hugely entertaining, ” said the *Los Angeles Times*. “ The publisher describes it as a powerful thriller, and it ’ s no lie. ” At its end, the murderous Arab/English Rashid family lay decimated – but not extinct. And that may have been Sean Dillon ’ s fatal error. Her brothers killed one by one, Kate Rashid swears vengeance on all who have harmed her family. Never mind that they tried to assassinate the President of the United States, that villainy ran in their veins. They were her brothers, and her enemies would pay. British agent Sean Dillon... White House operative Blake Johnson... the President himself... their time was coming, and only she knew how – or when. Brilliantly suspenseful, *Midnight Runner* is further proof that, in the words of the *Associated Press*, “ when it comes to thriller writers, one name stands well above the crowd – Jack Higgins. ”

Jack Higgins pits the heroic covert intelligence team of Blake Johnson and Sean Dillon against a hidden foe in a very different kind of game—with a very different set of rules.

Jack Higgins's previous novels *Edge of Danger* and *Midnight Runner* put British intelligence agent Sean Dillon through "a lot of thrills [and] wild action" (*Los Angeles Times*). Now a new enemy has emerged with a dark secret from World War II--and a score to settle with agent Dillon.

The President is coming to London, but not to an entirely warm welcome. A fanatical mullah is offering a blessing to anyone who will assassinate the President, and though most London Muslims think the mullah

has crossed the line, a few think otherwise. Urgently, Sean Dillon, General Charles Ferguson, and the rest of the small band known as the “ Prime Minister ’ s private army ” are called in, augmented by an extraordinary new recruit, an intelligence captain and Afghan war hero named Sara Gideon. She has her own deep contacts, but the more she investigates, the more she discovers herself in a very dark place indeed. For the assassination plan is only the beginning...

Sean Dillon takes on a mission of mercy, in which he will be shown none. Intelligence operative Sean Dillon stops Caspar Rashid at Heathrow Airport and is pulled into danger. The man's daughter has been kidnapped by Rashid's own father and taken to Iraq to be married to one of the Middle East's most feared terrorists. Rashid begs Dillon for help but he has no idea of the terrible chain of events he is about to unleash, nor of the danger he is about to face.

They call themselves "January 30", after the date of a British massacre in Belfast. They are allied with no one, killing American diplomats and KGB agents, Arabs and Israelis, IRA gunmen and Loyalist soldiers. But they are definitely the enemies of peace--and they are plotting an assassination that will shatter an uneasy truce that reigns in Ireland. Former IRA enforcer Sean Dillon must hunt down January 30 before they kill again. Before they spark another war. Before Dillon himself falls prey to the ultimate assassin--the Angel of Death...

Outspoken Russian writer Alexander Kurbsky wanted to "disappear" into the West. To avoid the wrath of the ruling elite, he makes elaborate plans with covert experts Charles Ferguson and Sean Dillon for his escape. It's a real coup for the West--except for one thing: Kurbsky is still working for the Russians. And his master plan is about to unfold.
